*Moments of living — sharing,  
working, tolerating. Fitting  
our piece into the puzzle pat-  
tern ... we contemplate  
movement. An atmosphere in  
a segment of life. Breathing,  
eating, shouting ... awaiting  
change.*

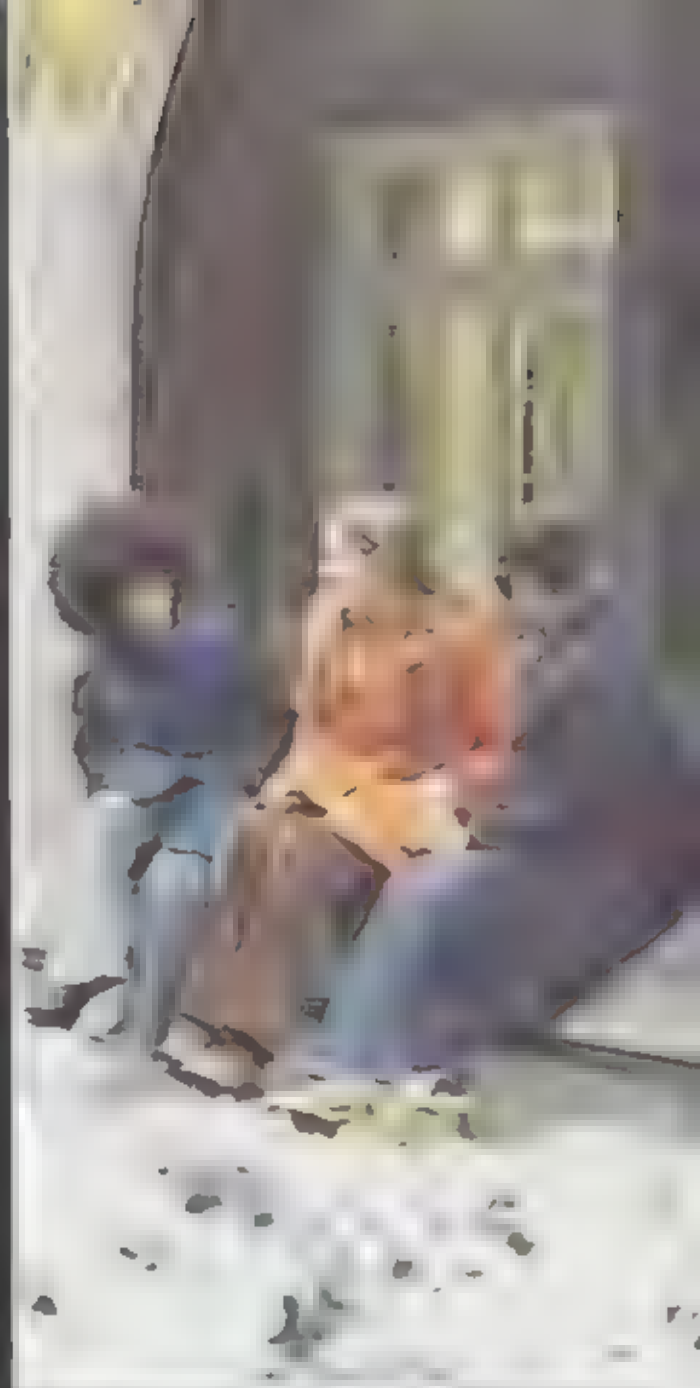

*We see tomorrow  
through the eyes of today.  
Our fortunes hide behind  
the inconsistencies of  
time. Experiencing  
through studies, other  
identities, we learn to  
make choices. We build a  
structure to live in; a uni-  
verse we call ourselves.*

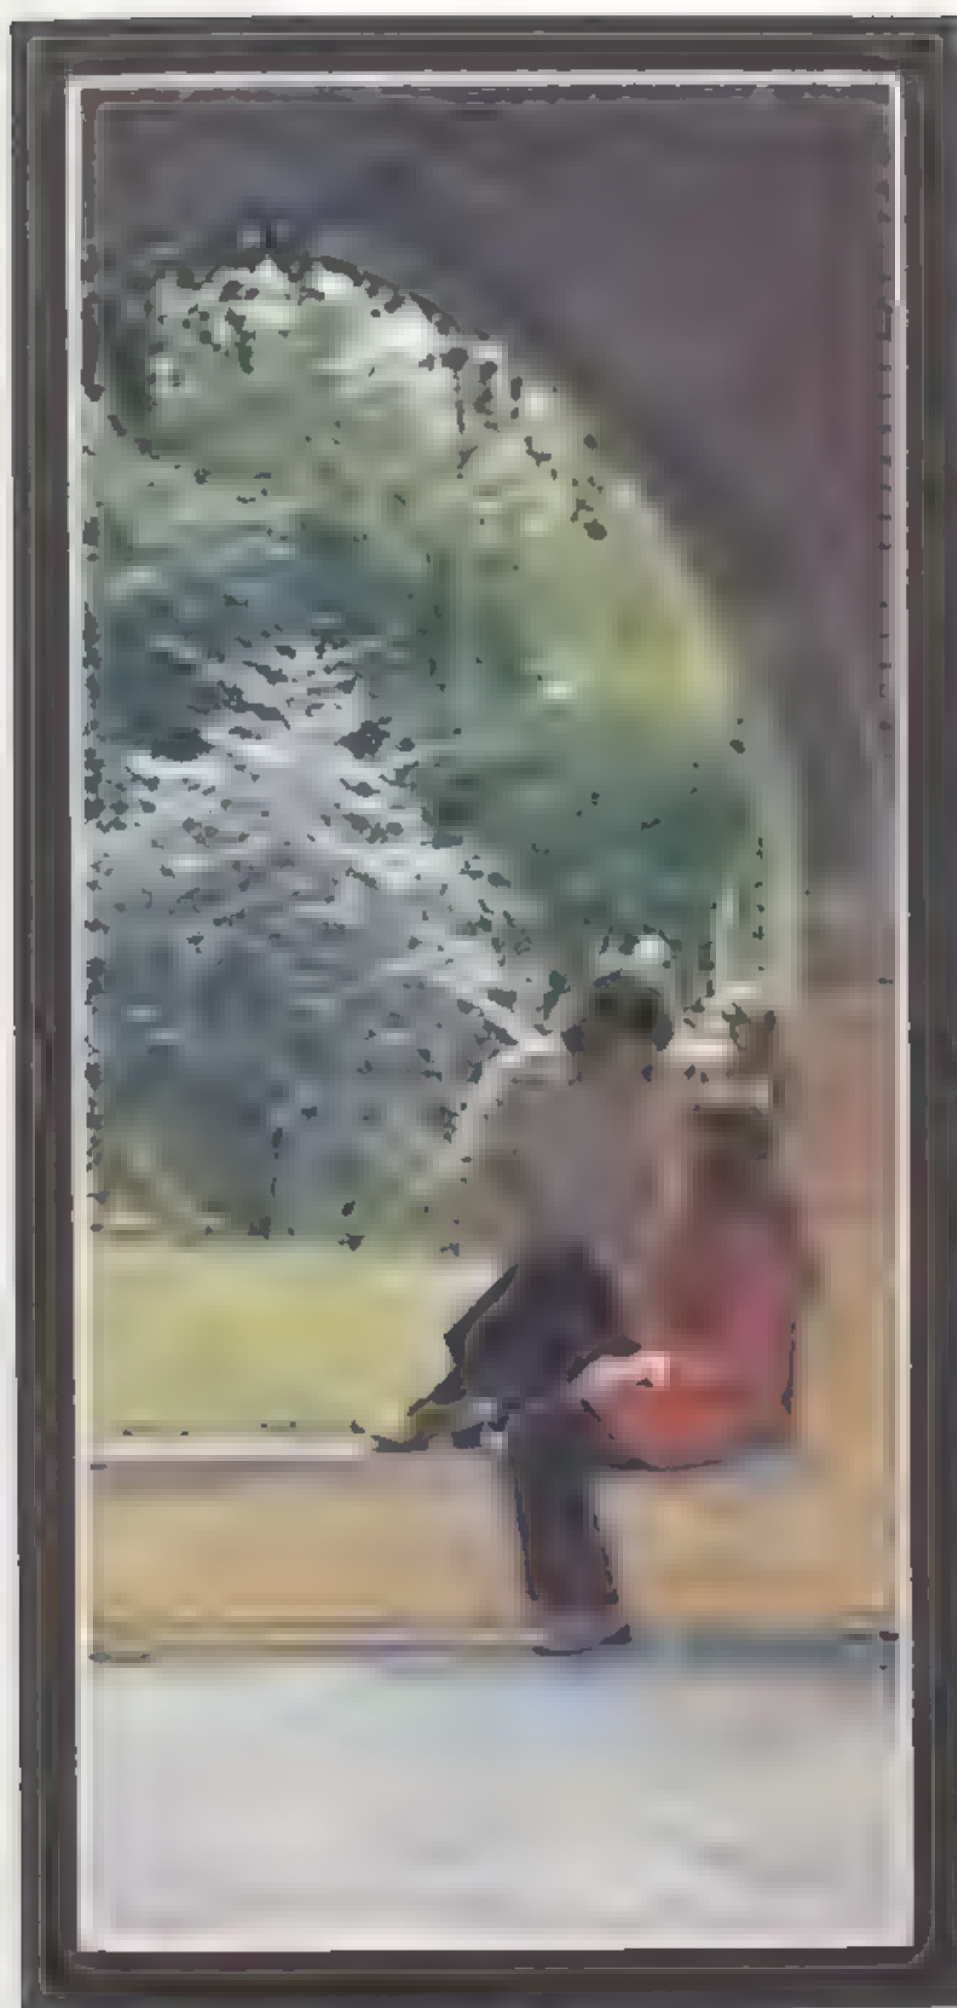

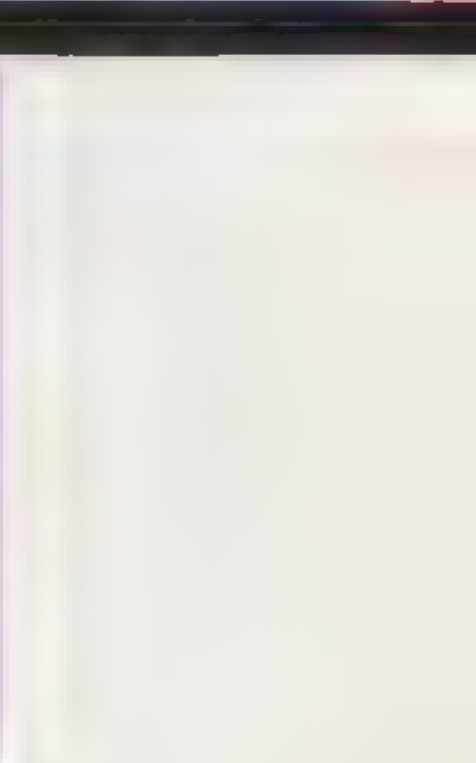

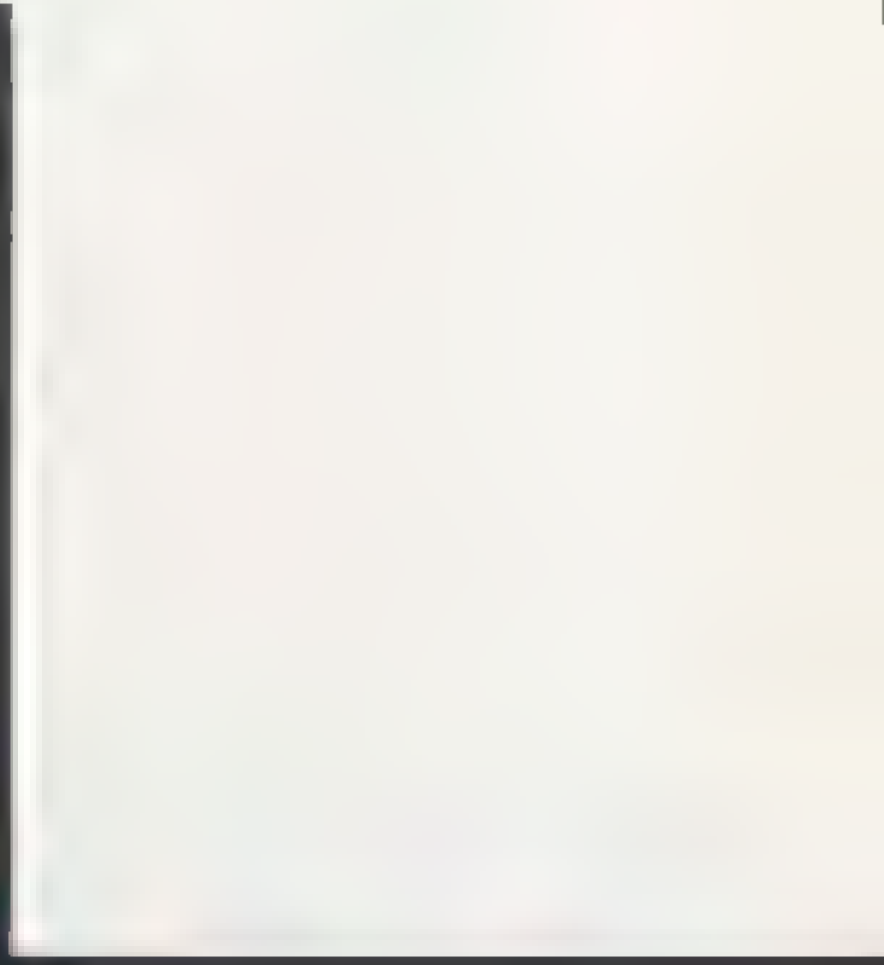

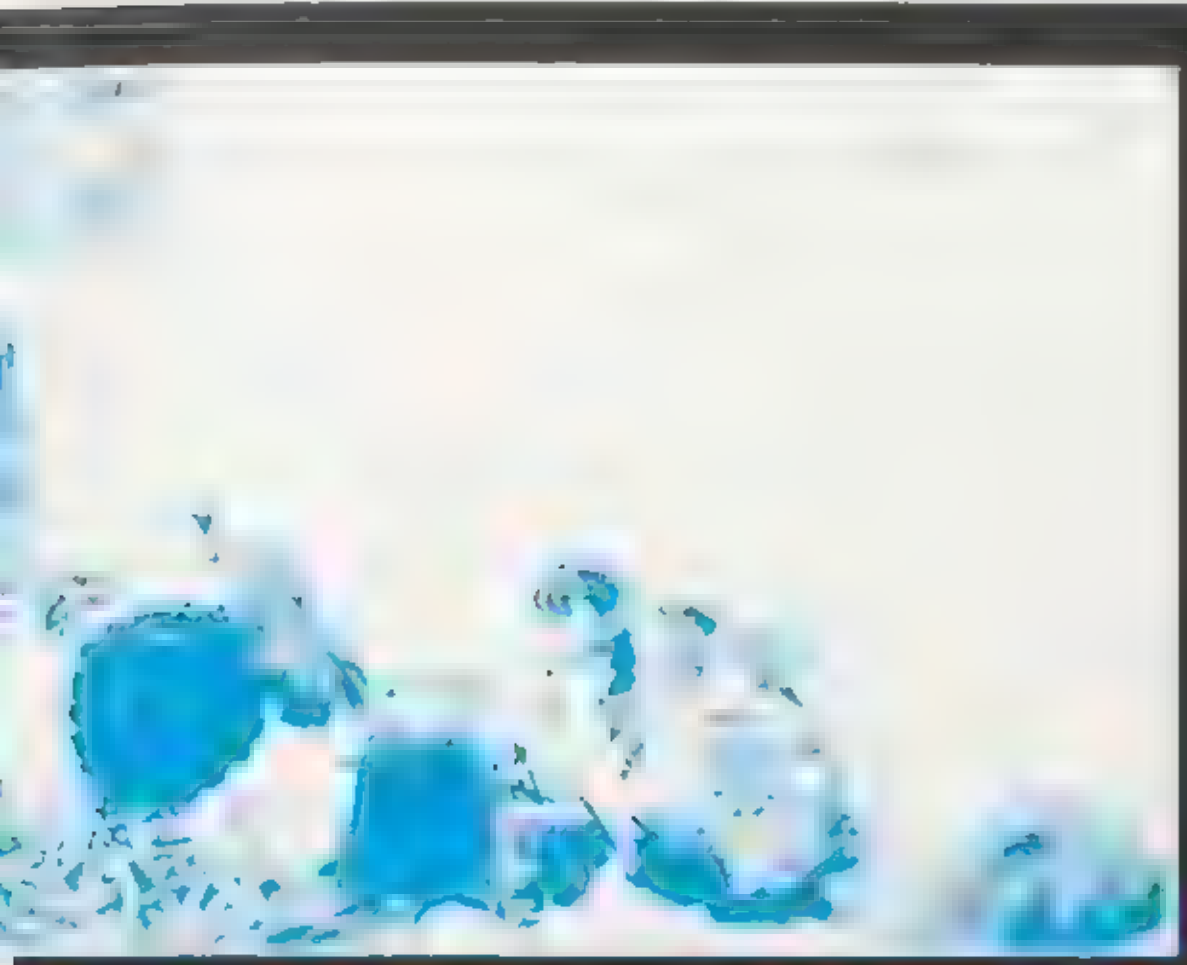

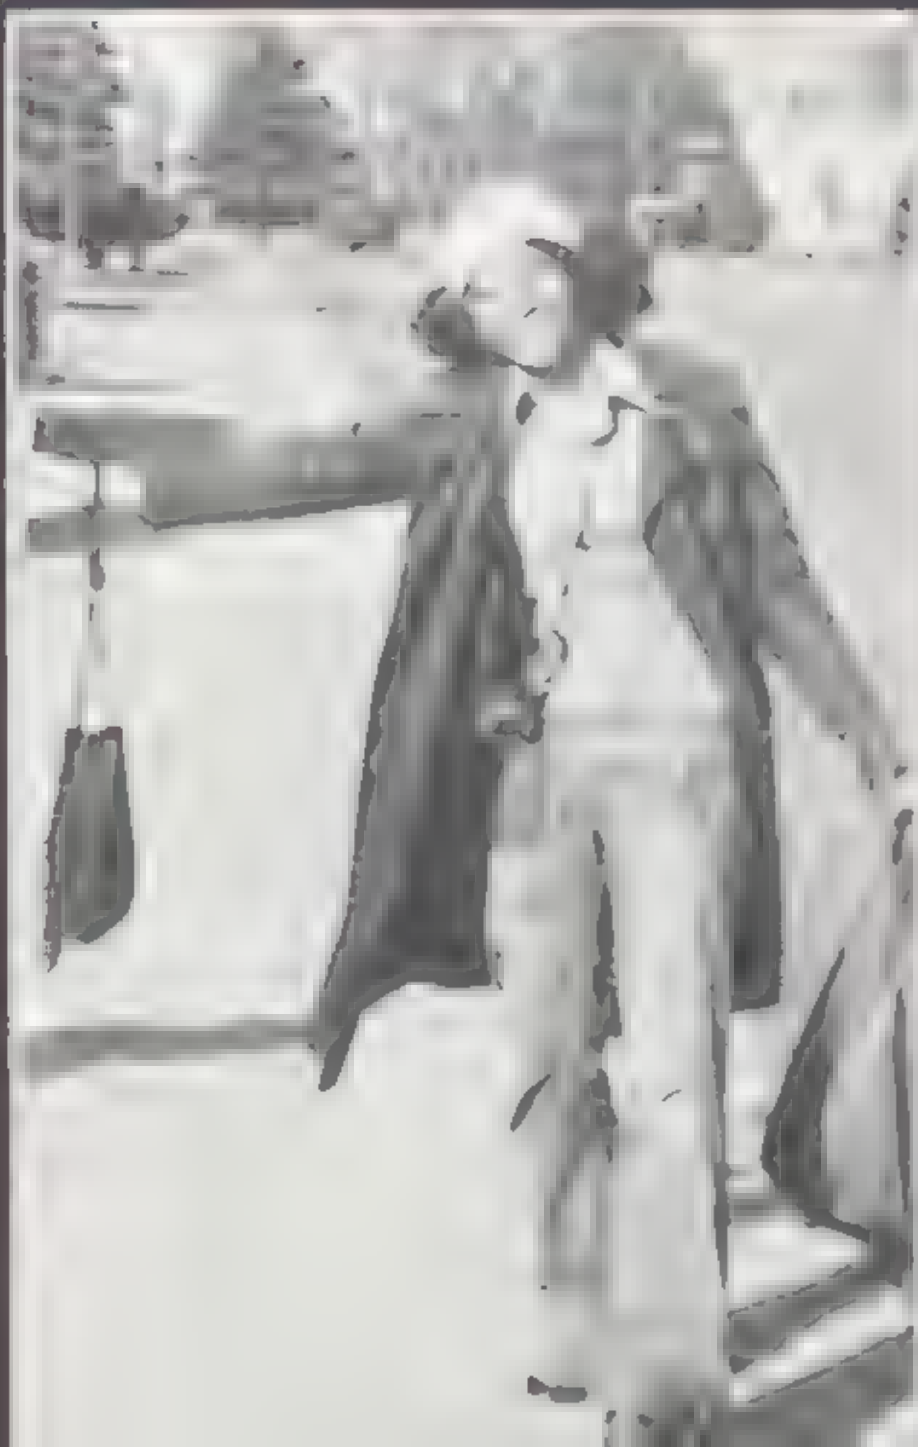

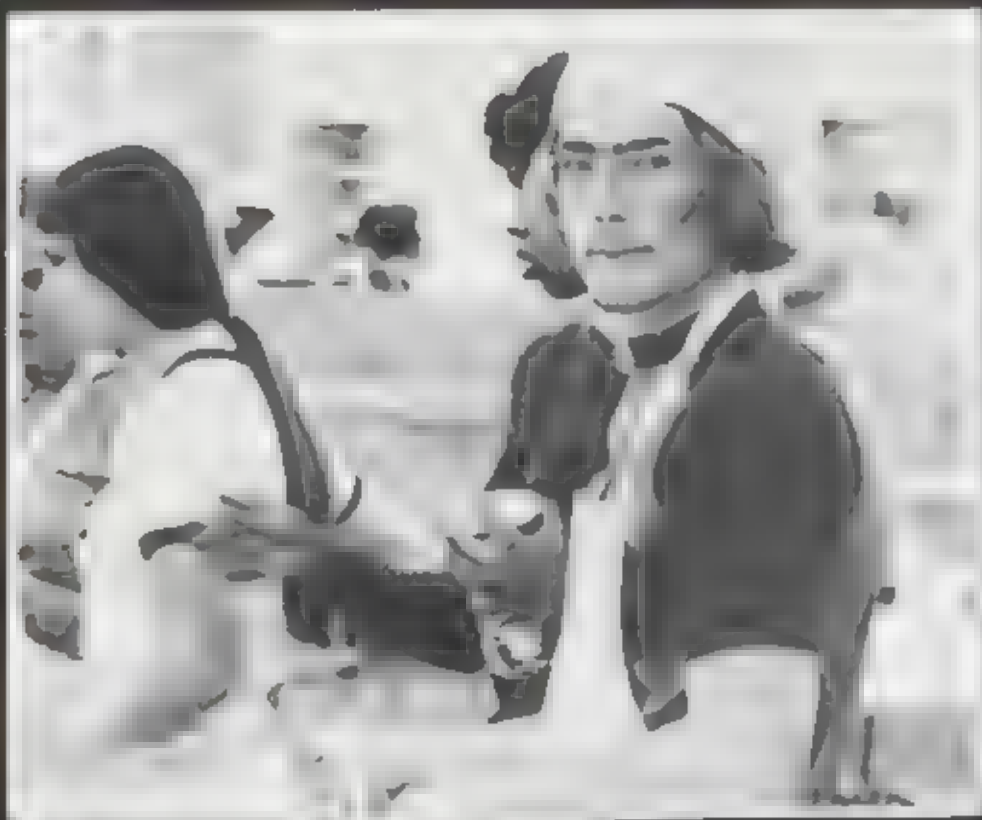

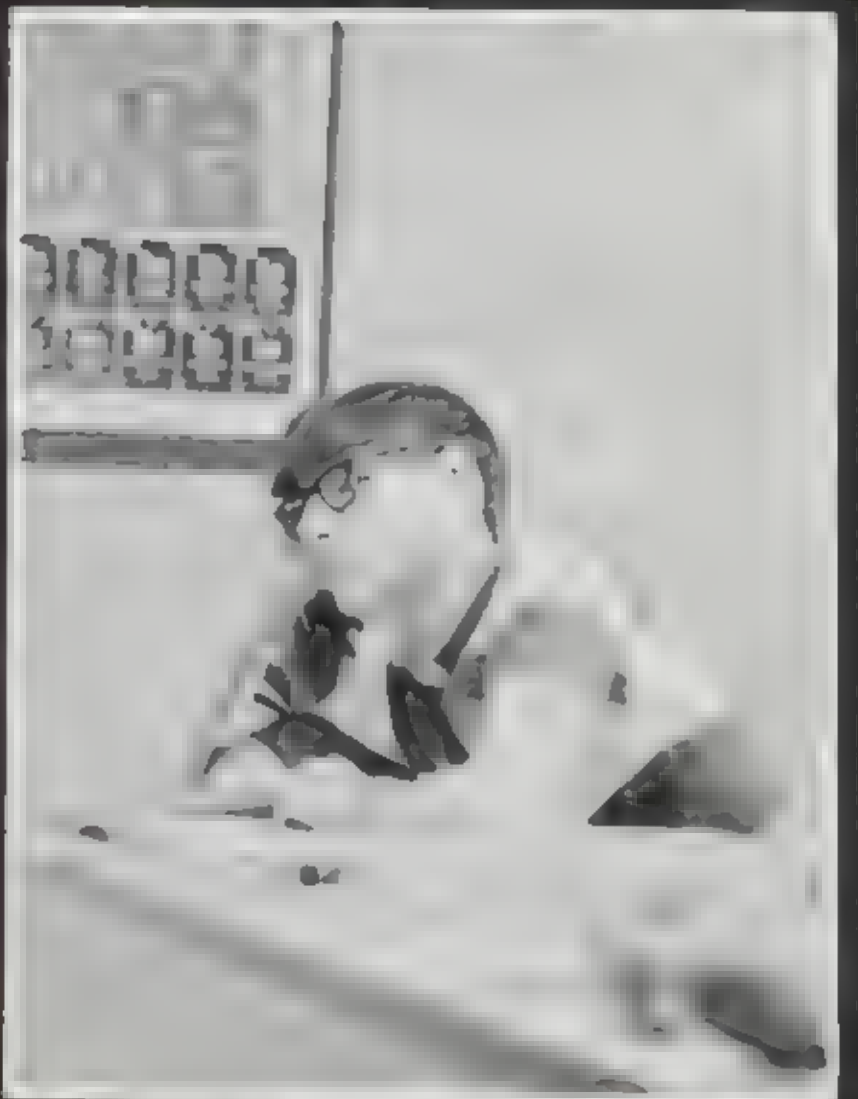

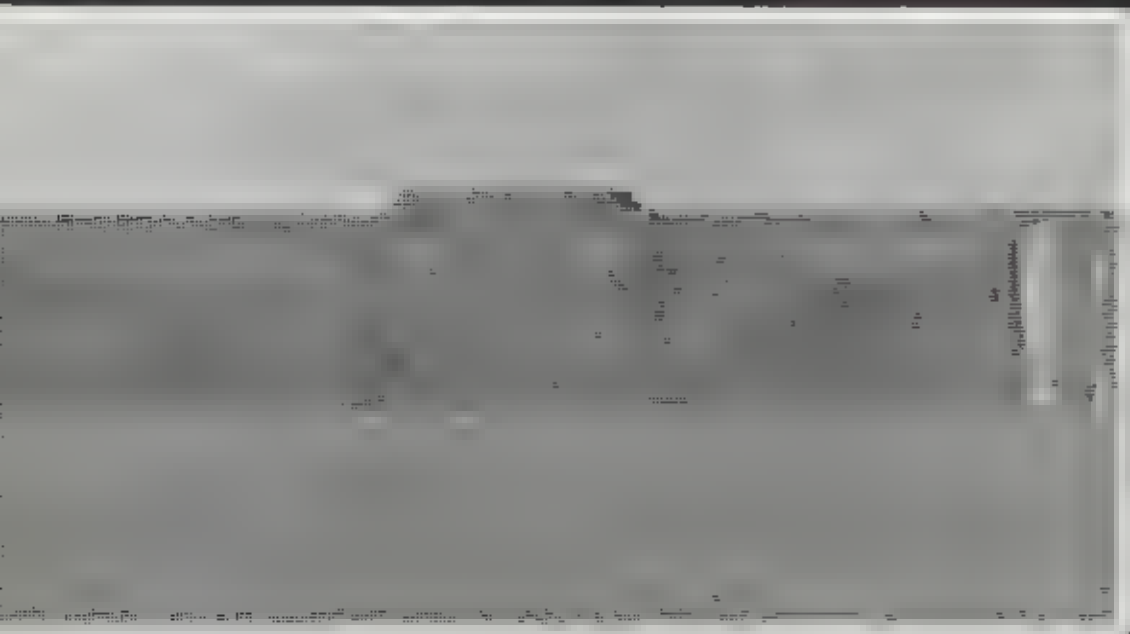

*ACTIVITIES*

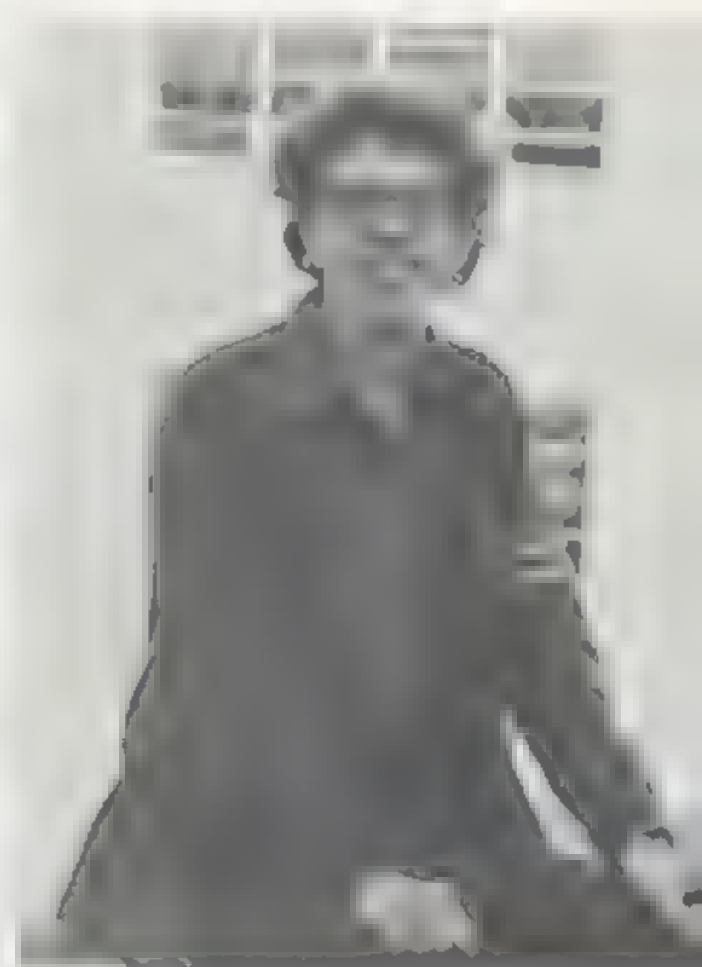

## Scholastic Honors Come To Ten

A group of students with their own special kind of appeal — this is the Top Ten. Often giving up less serious activities to pursue a goal of scholastic brilliance, these students can look on the past four years with pride in themselves. With the institution of the new weighted grading systems this year, more credit was given to students with accel-

erated courses; consequently, the members of the Top Ten were more fairly determined. They are talented students, with long hours of Shakespeare, French conjugations, Moby Dick, and sines and cosines behind them, but more important, they are people who find joy in their work.

1. Salutatorian Linda Snowden ponders the future. 2. Leading the Class of 1973 are the Top Ten, SEATED FROM LEFT TO RIGHT ARE, ROW 1: Craig Blomberg, Valedictorian, ROW 2: Linda Snowden, Salutatorian, Eileen Anderson, 3rd, ROW 3: Brad Osmundson, 4th, Debbie Garber, 5th, Ann Erwin, 6th, ROW 4: Don Cochran, 7th, Debbie Anderson and Kathy Albrecht, tied for 8th, and Linda Zittrin, 10th. 3. Valedictorian Craig Blomberg, proves that he is "On Top Of The Rock" as he relaxes on the Concourse roof.

## Top Students Gain Recognition

The Preliminary Scholastic Aptitude 1 National Merit Scholarship Qualifying Test was taken this year by over one million students in about 17,000 secondary schools. Only 15,000 high scoring students received further consideration for Merit Scholarships. Over 37,000 students across the nation were awarded letters of commendation. Indicating an outstanding ability to do successful college work, the PSAT/NMSQ awards provide college bound Rocky students a boost

1 Ann Erwin, Eileen Anderson, and Craig Blomberg are National Merit Scholarship Semi-Finalists. 2. People who received letters of commendation are ROW 1, LEFT TO RIGHT, Kathy Albrecht, Karen Martensen, Debbie Garber Don Cochran ROW 2: Bob Sievers, Ann Michaelson, Brad Osmundson, Tom Rockwell, Steve Vought ROW 3: Don Gibson, Nikki Wilson, and Rich Wood

## Junior Rotarians Show Leadership Qualities

Two young men each month, eighteen in all, are selected from Rocky's population on the basis of their achievements, citizenship and leadership potential. These honored students are known as Junior Rotarians and are made honorary members of Rotary International. These distinguished young men attend the Rotary luncheon every Tuesday during the month in which they are selected

# Students Achieve Writing Honors

Those Rocky Students wishing to spend their time in the media of communication, at Rocky this includes *The Watchtower* and *The Crimson Crier*, were eligible for the National Quill and Scroll Association. These student spent many hours on writing, proofreading, pica counting and picture cropping to provide Rocky's population with news or nostalgia. Many began to acquire the background they need for future careers.

To keep Rocky in touch with the outside world, Cheryl Beam, and Patti Hess served as weekly correspondents to the *Times Democrat* High School page.

BACK ROW: Vicki McGoldrick, Linda Zifrin, Beth Quale, Gordon Shaffer, Susie Smiley, and Kim McGinnis.

## Eight Students Receive Leadership Recognition

Special honors are one aspect of school life that for the most part have not been affected by any major change. The D.A.R. award is given by the Daughters of the American Revolution to a senior girl for outstanding citizenship. Leadership and responsibility are traits of the Girls and Boys State representatives. A select group of Junior Marshalls were honored by leading the graduating class of '72.

1 Don Cochran, Debbie Chappell, Rhonda Wisely, and Dan Williams lead the way for the seniors as 1972 Jr Marshalls. 2. DAR award winner for 1972-1973 is Susre Brooks. 3. Girls and Boys State representatives are Dave VanSevern, Joan Schmitz, and Don Cochran

## Human Rights Concerns Senate

This year Senate has attempted to educate itself in the process of change. Running into many stumbling blocks, the Senate started to reexamine itself. Eighty different viewpoints attempting to work together seemed to make little headway. As they battled trivia, the Senate tried for more power. Discouraged

Senators spread their apathy to the students. To the administration the Senate still played its token role as "the voice of the student". With a revised constitution and a better understanding of parliamentary procedure, the Senate may now be better equipped to forge ahead.

1. One of The Senate's projects this year, was selling Rocky booster buttons. 2. Sophie Senators enjoy the responsibilities of being a Senator 3. # Eight Rocky Girls Visit Nine Foreign Countries

Greece, Israel, Iran, India, Thailand, Malaysia, Hong Kong, Japan and Hawaii; cultures around the world, atmospheres of change. Twenty Rock Island and California students accompanied by two teacher guides spent 72's summer far away from familiar surroundings — they were the People to People American Ambassadors. The group set out with the goal of tearing down old generalizations about Americans in comparison with foreigners. They also worked toward ideals of bringing people closer together through new acquaintances and new experiences. With the experience of people, different lifestyles and new friends, the People to People group returned home with hopes of enriching Rocky

# AFS Bridges The Gap Between Nations

AFS at Rocky is an extension of the American Field Service/International Scholarship program throughout the world. AFS promotes understanding of self, sensitivity to those who are different, and increased awareness of the forces that shape those differences. It brings together people who differ in important ways, yet have something valuable to share. Rocky hosts individuals from Iceland and Australia. During the summer Rock Island shared its part of the U.S. with the Philippines. Founded in 1914 and constantly expanding, AFS is an experience in human relationships.

## Acting Talent Is Shown in "Mouse That Roared"

An outsider so brave as to venture into a Drama club meeting may feel he has strolled into a room full of lunatics, as truly, Drama Club is for the uninhibited. Once he has settled into the general hysteria, he finds he rather enjoys himself as he shares with the others an interest in theater and the dramatic arts. Drama Club sponsored the production of *The Mouse that Roared*, a trip to Chicago to see "No No Nnette," work in improvisations, the annual Rockcademe Awards banquet, and a number of parties. They also raised money to rehabilitate the badly crippled Little Theater.

1 Suzanne Koeplinger and Alan Branch do an improvisation at a Drama Club meeting 2 Drama Club members listen with interest at a typical meeting. 3 Sherry Clay and Sharon Quale ham it up before the Drama Club play to hide their nervousness

 Koepplinger

## Best Voices Sing Varied Numbers

Excellence in harmony, technique and performance; these characteristics easily fit Senior Glee Club. Under the direction of Murray Osborn, Glee Club meets every seventh hour. They prepare numerous concerts from a wide range of material. This year they taped Christmas music for WHBF and KLIK, participated in a music festival, sang under Robert Wagner and produced a musical. Diligence and hard work are behind the Glee Club's professional sound, not to mention the joys of working together and the knowledge of a job well done.

1. Giving a bit of friendly advice is all in a day's work for the Glee Club. Tenors Eric Carlson and Matt Kessel work hard in rehearsal. 3. Organizing the Glee Club. Kathy Albrecht, Tenor, and Bob Black, Piano.

## Superior Vocalists Study

Chamber Choir is a group of eighteen voices specializing in the singing of light chamber music, especially English madrigals. The class also includes music theory and conducting. This is the first year the choir members received any credit for the course. Chamber Choir sang with the Detroit Opera in *Hansel and Gretel*, at Illinois State U., and for various organizations throughout the year.

1. Guy Stevenson, Kevin Maisenbach, and Teresa Doyle look as if they find sight-reading through a new madrigal a bit difficult. 2. Sherry Clay tries her hand at conducting Chamber Choir in a song. 3. Accompanying Chamber Choir is another duty of member Craig Blomberg. 4. Rocky's best singers are Chamber Choir members. SECOND ROW: Gene Krumanitz, Bob Blick, Don Cochran, Craig Terrill, Chuck Olmstead, Eric Carlson, Craig Blomberg, and Kevin Maisenbach. Missing from the picture is Guy Stevenson.

## Girls' Glee Club Provides Melody

A special type of sound is heard at Rocky each day as the Girls' Glee Club assembles for a practice session. Girls' Glee members work together for perfection in the particular sound only this group of feminine voices can make. They participate in the musical, the pops concert and the Christmas concert, complementing the other choral groups to make Rocky's department one of the finest.

# Accuracy and Talent Are Important to Band

The Rock Island High School Bands combine musical talent with hard work and practice. Individuals in band are divided into two groups according to their ability; the concert and symphonic bands. Throughout the year these groups are subdivided into woodwind choir, woodwind quintet, brass choir and brass quintet. During the fall a morning walk to Rocky may quicken to the tune of a Sousa march or the school song provided by the marching band practicing for Friday's football game. Toward change, girls are playing in the stage band for the first time this year.

## Crier Strives to Create An Unbiased Newspaper

Amid a student population of over 2500, the average student finds it hard to keep informed. Here is where the Crimson Crier comes in. Published biweekly by a student staff, the Crier strives to keep up with changes at Rocky as well as undergo changes itself. The Crier has added a freshman page for the "isolated" students of Rocky. # Homecoming Changes to Octoberfest This Year

The year of '73 set forth to modify tradition, to improve upon the past. Ideas and initiative sprang from many sources. A week of turbulence and high tensions curbed wavering spirits. As the Fall activities dubiously commenced Rocky's plans fell back into the shadows of the past. A hasty decision and a re-vote produced a court of eight queens, a compromise, to some a workable settlement. The eight reigned over a wet parade as autumn rains washed colorful streaks from crepe paper to people. In the exuberance of final effort the Rocks defeated Galesburg 25 to 20 under torrents of rain and a royal mudbath. The dance went on as scheduled as the queens and escorts made their appearances. Octoberfest 73 made an effort toward change yet with a sigh of relief varied little from long years of tradition.

## Assemblies Break Up Student Blues

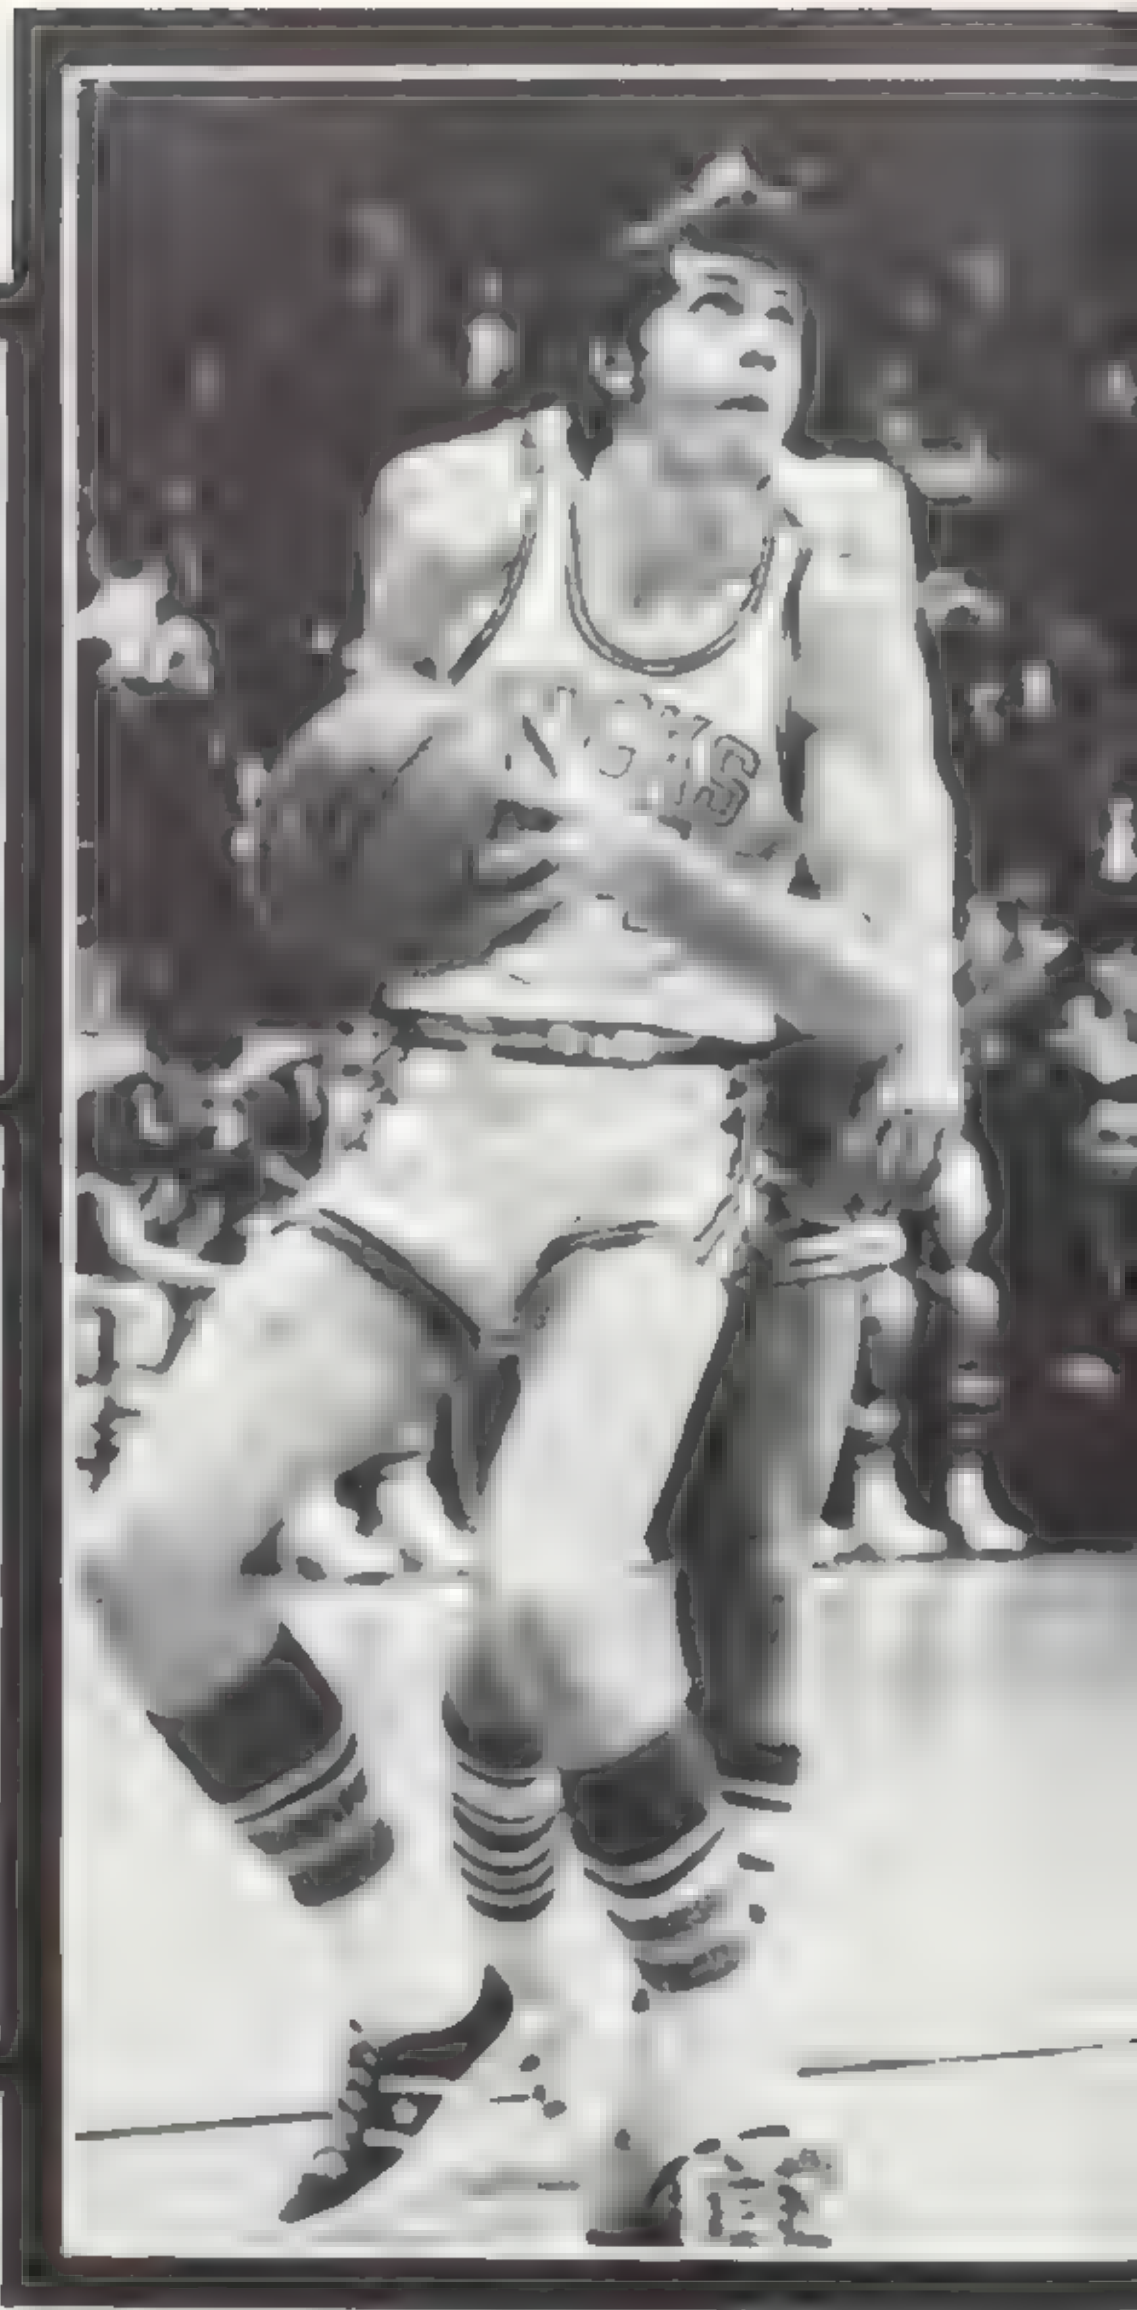

Change manifested itself in the form of the transfer of school assemblies from third to sixth hour. Student opinions of assemblies fluctuated as much as did the quality of entertainment presented — from poetry read-

ers and musical groups to T.V. celebrities. In order to mirror the desires of students, students will be able to participate in the choosing of assembly programs.

1 In an assembly skit, Brad Hendrickson shows a typical student reaction at the end of a long school day. 2 'Shocking' 3 Don Gibson and Barry Nelson play the school song for a pep assembly. 4 "Gimme an R!" Mr. Gerber was outstanding in promoting Rocky's school spirit. 5 A trip back into the 1930's was presented to Rocky students in a November assembly. 6 This updated "traveling" entertaining one-man band. 7 T.V. series in the form of Officers Reed and Malloy. 8 Poetry reader Roger Steffans expresses his culture.

## R.I. Gridders Boast #1 Defense; Become Western Big 6 Champions

Under the guidance of Head Coach Garv Embretson, the Rock Island Rocks ended their season with a 6-3 record. The Rocks also captured a piece of the Western Big 6 Conference Title, and tied for second in the Metro Conference Title.

Their season began with an easy victory over Alleman, and the city championship. Wally Bradley set a Rock Island record when he kicked three field goals. But, not everything went so well when the Rocks played Assumption. The Knights came out on top with a 14-7 win.

The third game of the season was a delight to the Rocks as an exciting 23-14 win brought the "Tomahawk" home, and helped them in their race for the Metro and Big 6 Titles.

Rock Island's next victim was Davenport West, where they

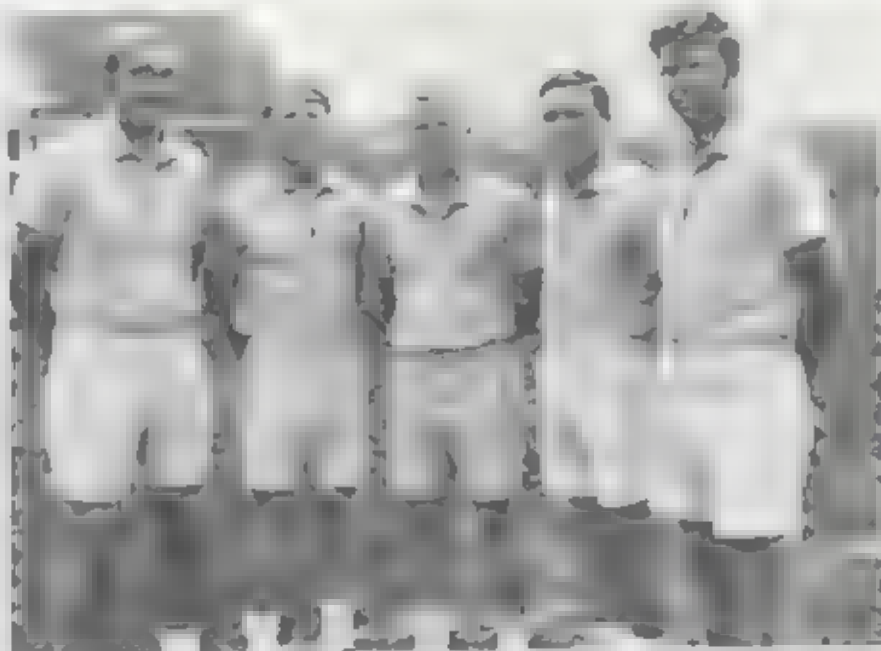

posted a 21-7 Metro win. The following week, the Rock's smothered Quincy, 42-6.

The Octoberfest game found Rock Island going against a tough undefeated Galesburg squad. But Rock Island outlasted the Streaks, and brought the team to its first defeat, with a score of 25-20.

Dan Clash ran for four touchdowns during a muddy Davenport Central game and the Rocks kept Central scoreless, 26-0. The next week Homewood-Flossmoor kept its 2-year winning streak, and added Rock Island to its list of wins.

The Rocks closed their season with the East Moline Panthers winning the game, and thus, sharing second place with the Rocks for the Metro Conference Title.

## Pebbles Place Second in Big 6

The Rock Island sophomore football squad finished their 1973 campaign with a most satisfactory 5-3 record. Under the head coaching of Hugh Johnson, the '72 edition formed one of the most potent running machines in the area. The Pebbles showed the offensive and defensive performances that propelled them to a second seating in the Western Big 6 and a third in the Quad-city Conference winning big in several of its games.

The Pebbles started their season on a good note soundly dumping Alleman 21-6. However the second Pebbles' outing proved not as successful. While the Knights were moving the ball, the Rock Island offense just couldn't generate any scoring drives, which was apparent by the 24-0 result.

Their third opponent was against cross town rivals Moline. The Pebbles missed an oppor-

tunity to score in the closing minutes and fell to the eventual Big 6 champs, the Maroons 26-20.

The following week, the Pebbles regained their good form and shut out the Davenport West's sophomore crew 12-0.

In the preliminary game of the Octoberfest the defensive unit held off a late Galesburg rally and defeated the Streaks 29-22.

The little Rocks gained its fourth victory downing the Blue Devils by a score of 35-18.

Playing in mud, the Pebbles' defensive squad came up with its best performance shutting out Davenport Central 35-0.

With the closing of the season near, weather conditions became a problem, and so it seemed with Homewood-Flossmoor. Both teams were evenly matched but in the rain and the mud the Flossies defeated the Pebbles 22-13.

## Rock Island Grapplers Reaffirmed Area Power

Following a successful rebuilding season in 1971-72, the Rock Island wrestling squad used much of their grappling experience to reinstate the Rocks as one of the toughest competitors in Western Illinois. Head Coach Chester Schultz's wrestlers placed third across the river at the Davenport Invitational and fifth out of sixteen teams in the Palatine Tournament, proving that the Rocks are among the top in the area.

Besides their great showing in the tournaments, the Rocks used much determination and quickness in defeating most of their opposition during the regular season.

1. With his combatant stretched out on the mat, Jerrn Vesey ponders how to reverse his opponent to his back. 2. Calvin Bates aggressively puts away another contender. 3. Louis Wells begins to break down his opponent. 4. Finding his opponent reversing on him, Willie Morrow successfully counters. 5. # Dolphin Determination Builds Victorious Year

The Rock Island Dolphins, under the guidance of Head Coach Fred Friedrichsen and assistants Ken Knapp and Rick Gilliland, had a season filled with fine progress and determination.

Early in the season, sophomore Vince Ackerson and juniors Craig Kirkpatrick and Dave Andrews, were successful in making state qualifying time in their events. Ackerson also broke all sophomore times in the 400 yard relay. The medley relay team of Andrews, Kirkpatrick, Steve Lardner and Jerry Wagner also made state qualifying time.

The Dolphins posted a third place finish at the Evanston Relays, and maintained their productiveness throughout the season. Senior diver, Robert Thompson, earned a fifth place medal at Evanston, which was the highest ever achieved by a Rock Island diver in this meet.

The 1972-73 tankers ended a successful season with great satisfaction and high honors. Coach Friedrichsen completed his third season as coach, leading his team to championship meets and individual victories.

# Rocks' Courtplay Looks Promising for Future

The 1972-73 Rocks faced numerous top-ranked teams in one of the toughest schedules in Illinois. Under new head coach Jim Gleboff, the Rock Island quintet began the long road back to the top with an all junior cast backed up by one of the finest all around sophomore teams in recent years. Gleboff, with an impressive record of numerous championship teams and state tourney experience, came to Rock Island to face the challenge of building a champion. Despite losses to many good senior dominated ball clubs, the young Rocks showed great determination, character, and improvement.

Finding wins hard to come by, the Rock Island five showed keen competitive desire in every game. Sometimes outclassed, sometimes playing toe to toe with the best, Rocky lost its first eleven games before a convincing 53-37 victory over a good Clinton team. Looking to the future, the Rocks refused to fold as they gained the necessary experience and maturity to put them in the championship class.

After the 1972-73 season of apprenticeship, Coach Gleboff and his determined Rocks feel Rock Island basketball is on its way to the top.

Rock Island's new varsity basketball coach Jim Gleboff. He led the Rocks basketball team to a 11-11 record. The Rocks lone senior Keith Beck, who led the team in scoring, was named the 1972-73 Most Improved Player. The team's top scorers are on the offensive boards. The 1972-73 varsity basketball squad contains: FIRST ROW: Mark Mills, Richard Eli, Steve Whitney, Ron Jett, Kevin Rudd, Vince Shepherd, Mike Foley, Ken Sowdy. SECOND ROW: Head Coach Jim Gleboff, Donald Hill, Ronnie Bea, Fred Rasmussen, Tim Gordon, Eli Thomas, Craig Blomberg, and Coach Frank Youngquist.

# Pebbles Show Championship Form

The new Rock Island Sophomore coach Wayne Jessel, pushed the theme "Build for the future" to the limit. The fighting Pebbles showed championship class in both the Western Big Six and Metro Conference. In one of the finest showings in recent years the talented sophomores served notice they will be con-

tenders for Varsity position in the near future

One key to the success of this year's Sophomore team was depth. Coach Jessel had eight or nine dependable ballplayers. Coaching dedication and desire seemed to be the main ingredients for a successful campaign.

# Baseballers Show Skill

This year's 1973 Varsity Baseball team, coming off a previous record of 7-12, have good prospects for a productive season. Coached by Carl Aronson and Jim Seely, the roundballers are packed with experience. Nine returning senior lettermen, which include B. Carr, R. Cloninger, R. Evans, G. Fisher, M. Green, V. Harris, C. Koester, M. Nessler, and R. Requet, will try to bring back first place titles in the Quad-City Metro and Western Big Six Conferences. The team is also composed of many hopeful juniors who are coming off an 8-9 sophomore record.

Last Spring, Evans led the juniors with a .360 batting average and two home runs. Allen Branch led the sophomores in hitting.

# Track Team Captures "Big Six"

Under the head guidance of Coach Duane Bonsall, the 1972 Cross Country team tied for a second spot in the Western Big 6 and captured a second place in District. Although starting the season by losing badly against its first two opponents, the Rocks finally put together some points and matched a quick Davenport West crew, thirty all. Gaining momentum from their hard fought West meet, the Rocks went on to down its next challenges to post a final 2-2-1 record. At the closing of the season the Rock Island squad was rated number four in the Quad City Conference.

During the '72 campaign the Rocks traveled to the Ottawa

Invitational where they placed tenth

Ace runner, Steve Wolfe paced the Islanders to a second spot at District with his first place victory. Following District, Wolfe continued to the Sectional where he placed fifth and on to State where he finished with a 117 position.

Coach Bonsall's fall track squad turned up a disappointing season winning only one meet. However, the Rocks placed a mile team in the number four spot in the Metro Conference.

This spring the Rocks expect of their returning and fresh track and field men a renewal of Rocky's past track performances.

1. With powerful strides Dan Clash drives from the starting blocks. 2. Varsity Cross Country members are Coach Duane Bonsall, Andy Rich, Steve Wolfe, Doug Burke, Paul Schubert, Rick McGrath, Francis Jones, and Craig Demry. 3. Mark Stevenson winds up to collect enough force to hurl his discus to maybe another victory.

## Golfers Tie for 2nd

After a disappointing spring season last year, and with only two returning lettermen, the 1972-1973 boys' golf team surprised everyone with a tie for second place in the Quad-City Metropolitan Fall Golf Conference. The team was led by sophomore Dave Stone who finished third in the individual conference standings out of nearly fifty competitors. Stone led the Rocks with a 39.33 average score for nine holes. Seniors Jim Thonn and Tim Montgomery contributed their experience to the team effort, while junior Mike Urie and sophomore Bob Scott provided the unexpected talent to vault the Rock Island Golf Team into contention. Thonn's fall average was 41.83. Urie, Montgomery, and Scott each averaged just over 43 strokes.

With the five varsity golfers who played this fall composing the nucleus and with sophomore Bill Arndt and freshman Kirk Lawson completing the top unit, Coach Dave Wood is anticipating a state contender in the near future.

## Netters Tops in Conference

The powerful varsity tennis squad again topped all Quad City and Western Big 6 Conference competition in the 1972 spring and fall seasons. Coach Bob Motz's spring team rolled to their third straight Western Big 6 championship, a title they have won every year since the Conference was formed. Dick Hainline and Mike Skatidas won the Conference doubles championship, while Scott Reid advanced to the finals in singles. The Islanders also won the Quad City Conference in the spring and again in the fall. In the last 15 years under Coach Motz, the squad has won every Quad City championship.

The fall tennis team had 6 wins and 0 losses in winning the Quad City Conference. After an 8-1 win in the opener against Moline, the team ran 5 straight 9-0 shut outs. Senior Dick Hainline, who is the first squad member to play varsity all four years, ran his singles win streak to 70 dual meets without a loss. Varsity squad members Hainline, Kelly Thurman, Tom Myers, Mike Skatidas, Tom Roller, Larry Erikson and Dave Hughes all helped extend the team's win streak to 21 straight dual meets. Hainline and Skatidas are the senior squad members.

## Girls Take 2nd in State

Under the head supervision of Coach Trackwell the 1972 Rock Island Girls Tennis Team glided through another successful season, defeating all their opposition.

The Girl's team highlighted a most successful campaign by copping the second spot in the first State Tournament for Girls.

In doing this, the Rocks qualified a total of six members for State competition. Two of the qualifiers, Pam Zwer and Carol Foss became the State's Double Champs and were named along with the rest of the squad by the Davenport Times-Democrat as "Prep of the Week".

## Squads Promote Spirit

Five sophomores, five juniors, five seniors; fifteen girls, all chosen for one purpose — promoting spirit. Three squads, each acting as Rocky's spiritual guides, cartwheeling, backflipping, and somersaulting in enthusiasm for Rock Island's athletic teams.

Five sophomores, elected to promote "Little Rock" spirit. Introduced to new cheers, new ideas and new enthusiasm. Finally teaching their balcony friends how to shout during "pep yell."

Five juniors, practicing hard to boost the wrestlers and swimmers to a victorious season.

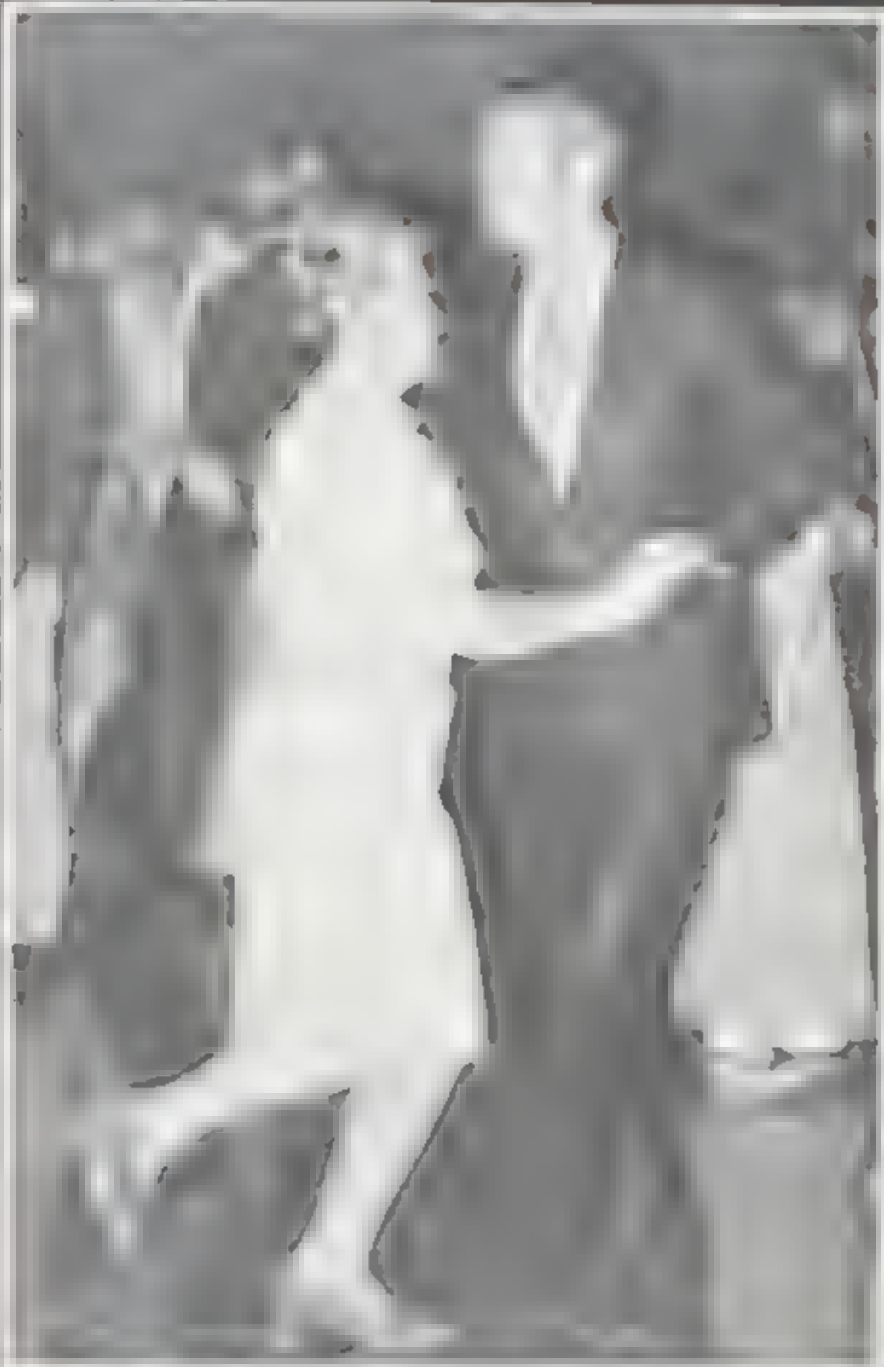

Five seniors, backed by the supreme class, never ceasing to find new ways of making spirit. Accelerating enthusiasm through skits, signs and cupcakes. Bringing home the Spirit Stick in hopes of igniting it throughout the school. Five seniors saying "do it, do it!"

## ACADEMICS

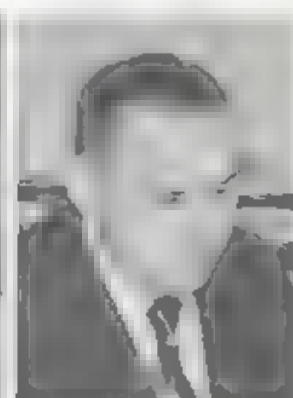

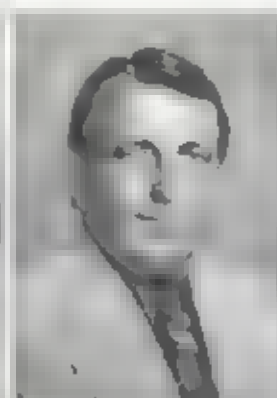

## Board Holds Key to Change

The Rock Island School Board as prime decision maker holds total power to change. It exercised its power this year in the addition of three new resource people. Three representatives were elected by and from the High School student body to serve

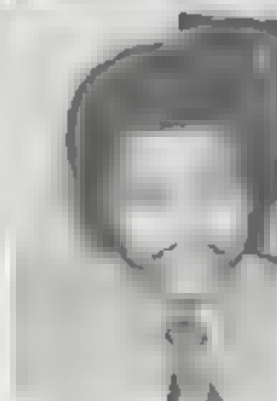

on the Board in a non-voting capacity. Ideally these students act as channels of communication between the Board and Rocky's population. These new Board members could prove a landmark on the road to future change.

## Their Responsibilities Keep School Running

Rock Island's administration represents the hub of change, the spoke in the wheel of our constantly revolving school community. Trained in meeting the needs of students, parents, and educators, the administration must remain constantly on top — overseeing, decision making, working, continually looking for new ways to improve upon the past

## English Offers Wide Variety

"This year's wide range in English curriculum makes it possible for each student to choose classes suited to his interests and ability," remarks Mrs. Brauch, dept. head. From a list of forty class titles a student has the opportunity to

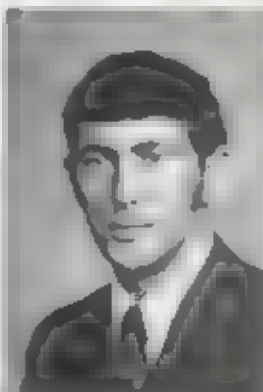

choose anything from Shakespeare to Environmental English. English courses vary in difficulty from phase I-V. This helps implement the new weighted grade system. English at Rocky attempts to meet the needs of all

## Innovations Create New Learning Experiences

Many students are exposed to another culture for an hour long class each day when English is transformed into Spanish, French, or German. New innovations in the Spanish program this year include a bridge program offering second year students an easier approach to Spanish, and a field trip to a Spanish play for the newly X rated Spanish IV's. This year's German and French students will be covering new texts. Miss Sholl comments: "The new French III books are more up to date, but at some points are harder than the old books. However, I am optimistic about them working out."

# Math Students Utilize Computer

Mathematics, with its relatively stable concepts aims to offer courses for the changing attitudes of all students, equipping them to succeed either in the realm of work or in addi-

tional schooling. The department boasts the new addition of computer PDP-11, "a great motivater, and in great demand."

## History Widens Scope

As society changes, R.I.H.S. strives to meet its educational needs. This year the new semester courses U.S. Foreign Policy, the Twentieth Century, Individualized History, American Music, and the American Far West replace the old, one year survey of American History course as variety is the keynote in the Social Studies Department. This leads to possibilities next year in Sociology and Anthropology.

# Biology Field Expands

R.I.'s Science Department strives to meet the needs of the environmental call. Sixty five students enrolled in field biology and four classes of environmental biology illustrate this need. According to Mr. Goodwin: "The environmental biology program is a good one because it gives the student a chance to get out into his environment. With today's emphasis on ecology, it is very relevant to the student's needs." In an era of change, R.I. takes its place in working toward preservation of the environment.

## These Teachers Mean Business

The goal of the Business Department is to meet the needs of students who plan to pursue office or business careers. Clerical, secretarial, accounting, bookkeeping, and retailing courses achieve this

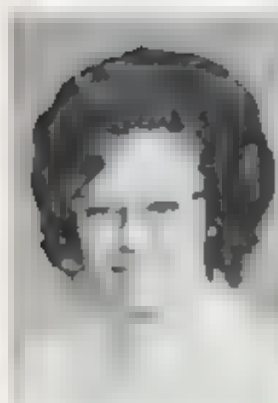

goal. The department is also tentatively planning a full year ninth grade typing course for high school credit. Students would then have a head start on business skills.

## Skills and Attitudes Are Emphasized in Learning

According to Miss Mary Cocks, "The Home Economics Department's emphasis is on attitudes, knowledge and skills related to the role of the Homemaker." A new curriculum of 22 classes as opposed to a previous 15 makes up the Home Ec. Dept. for this year. One full time teacher and one part time teacher have also been added to the staff. Home Ec. Courses prepare students for future domestic life.

## P. E. has New Outlook

The Physical Education department offers skills and activities students can participate in and enjoy after high school graduation. After sponsoring a scuba and snorkling pilot program in the spring of last year, the department offers this new aspect of sports to all qualifying students. Another change is the sophs no longer have gym skills in P.E. Their year consists of Health Ed., First Aid, Sex Ed., and Driver Ed

# Let's Drive Right

This year, every sophomore student is offered Driver Education. Students are rotated in all three phases of the program; theory, simulation and lab, and street instruction. Additions to the program are a dealer supply of new 1973 cars, a new edition of the text "Let's Drive Right" workbooks, and the new instructor Mr. Wayne Jessel. Federal funding is making possible additional simulators and equipment. Rock Island High Schools Driver Ed. program strives to produce competent and responsible young drivers.

## Vocational Area Widens

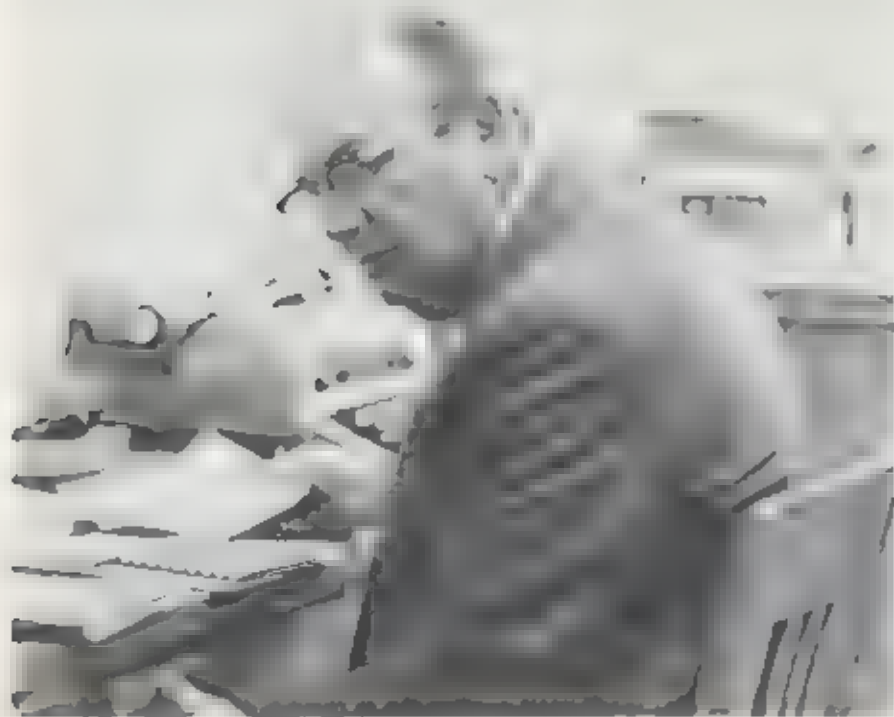

"Cooperative Education allows Rock Island High to present a much broader program of vocational training than could ever be possible within the confines of our building," states Mr. Biggs. 236 students are enrolled in various phases of Coop. Ed: Commercial Food Service, Cooperative Work Training, Distributive Education, Health Occupations, Office Occupations and Career Orientation, Cooperative Work Training. While providing students with high school credit, wages, and job experience, Coop. Ed. provides community employers with valuable part-time employees. Coop. # Fine Arts Moves Ahead

The fine arts department at Rocky is an outlet for student's creative abilities. Working in virtually unlimited media, the student experiences self expression, individual initiative, failure and success under experienced guidance. The art wing this year has expanded into room 304 providing ample working space for Rocky's largest number of young artists. Mrs. Hollister, a new Art I teacher, has also been added to the staff. At the request of the Board of Education, the Art II students are creating a mural painting on the wall of the third floor north wing. Art is a popular student elective. A class hour each day for experience of self discovery through creativity makes the Art wing a frequent spot for many students.

## Programs Give Aid

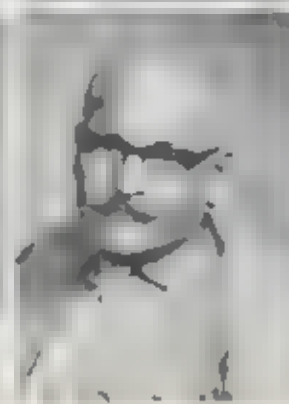

Vocational Training and Special Education for many students proves a more practical aspect of education. Through these programs the student has the opportunity to receive valuable training in a specific field directly applicable after graduation. This type of education readies the student for the working world. Special Education provides learning opportunities for these students who have difficulty in learning. ## Better Resources Are Provided for Students

Audio-visual, clinic and library — three diverse aspects of education grouped together in one department. Audio-visual entails the organization and administration of visual aids. The library and its staff provides students with an invaluable resource center and the clinic offers a full time nurse and nurses aids.
